Graduate Programs

Instructions

The Graduate Programs at The New School use the '**Self-Managed Application Process**' for admission to its programs. Applicants are asked to submit all mailed application materials to the Office of Admission in one packet.

- If you apply online (preferred), most of your application is submitted as part of the online process. This form should be used only for documents that must be sent separately from your online application. Do not send copies of any forms or materials which you submitted through the online application.
- Official sealed transcripts should be sent with this cover sheet, if possible. If you have foreign credentials requiring translation and evaluation, refer to your application instructions for detailed information.
- Sealed recommendations may be included with your packet or sent directly to the Admission Office (or, if you are applying online, your recommenders may use the online system as well).
- If required, Standard Test Scores (GRE, TOEFL) should be sent to The New School by the relevant organization. Our GRE and TOEFL school code is 2554.
