### INSTRUCTIONS

- Use this form as a cover sheet each time you send us items by mail. This will ensure the accurate and timely processing of admission documents. We advise that you submit the online application before sending any supporting documentation.
- Do not send copies of anything you submitted as part of your online application, and do not send materials not required for admission (passport copies, health records, financial records, etc.).
- Due to the high volume of mail and applications, it can take 2 weeks for applicant materials to be matched and marked as received in the system (this includes electronic submission of transcripts, recommendations, portfolios or auditions).
